# Ocular Universal LTE EV Charger

+

7kW Single Phase  
**INSTALLATION**

**\$1695.00** + GST

Availability for installation:  
Within 1-2 weeks

## Simple To Use

The LTE home is a simple plug and play charger. With one simple step, you are charging your EV. Less hassle with all the reliability. The Ocular LTE can be installed easily with the unit preconfigured. Our Ocular LTE chargers are developed with installation simplicity in mind.

The installation process is a simple, mount and connect. Once installed, you can simply plug and charge your electric car to get back on the road sooner. The Ocular LTE has a large LCD Display and is suited to withstand a wide range of weather conditions, from extreme cold to scorching heat. **The IP55 rated casing** means this charger is dust-tight and protected against strong jets of water.
